

## Popular Topics of the Day.

"The Monarch will win" is an expression heard in bicycle races oftener than anything else. It has not yet been heard here because Monarch Bicycles have not yet been introduced, but when they are they will not take second place in speed, weight or quality of material.

The Monarch is just what its name implies, the King of bicycles, and we are authorized agents for the Hawaiian Islands.

This wheel is made by a company whose standing in the manufacturing world is at the head; they are putting money in their wheels and selling them at a low price because they are not anxious to make themselves rich in a year. For that reason they have put the price within the reach of everyone.

The coming models in the Monarch are No's 8, 9, 10, 11 and 12. These include racing and ladies' wheels. They are fitted with either "Demon" or "King-fisher" lamps, and with this on the front end you can see so far ahead of you that night riding is more of a pleasure than you have been used to. With a Monarch Bicycle you don't have to keep a lamp on the back to keep drivers from running over you; the mechanism is such that a high rate of speed is attained without much muscular power.

Our prices of the genuine Monarch wheel will be twenty-five per cent less than you ever heard of a first class bicycle being sold for. We can do it because we are the manufacturers' agents and have no middle man's profits to pay. Call at our store and examine our Agency papers and secure a handsomely illustrated catalogue.

A second hand Columbia safety can be had of us very cheap, the owner wishing to dispose of it and buy a Monarch.

If you are sceptical call on us and learn that the place to buy the best bicycle is at.

## FINE ENTERTAINMENT.

St. Louis College Literary Society  
in Music and Drama.

Former pupils of St. Louis College some time ago organized under the name of St. Louis College Literary Society for mutual improvement. Last night the society, assisted by present pupils, gave a musical and dramatic entertainment in the large hall of the college, in connection with the terminal exercises taking place this week. Brother Albert directed the choir and orchestra, and Brother Francis was piano accompanist.

There was an audience that filled the hall, and therefore easily estimated at between five and six hundred people.

The performances of the orchestra and the choir were most delightful, evidencing the efficient tutorage of music afforded in the institution. A chorus with pantomime, the "Cantate of the Frogs," preceding a closing march by the orchestra, caused uncontrollable mirth. The representations of the croakers in a forest swamp were exceedingly clever.

"The Proscribed Heir," a drama in three acts, was given by J. C. Crowder, Chas. M. Murray, Alf Rosa, Chas. Rose, Jas. A. Thompson, Harry E. Murray, Chas. K. Hopkins, Ant. Fernandez, Thos. White and a number of "supers" from the school. Thompson spoke his lines and acted like a professional in the comic part of Blaise. Hopkins made an excellent justice of the peace. Harry E. Murray's address as a peripatetic quack was very well delivered and set the house in a roar.

Between the acts P. Gleason and J. Hansmann gave violin solos of wonderful power and expression.

In the second part Ed. Crabbe in an excellent treble sang the "Wreck of the Hesperus."

"Model Tenants," a farce, was well done and highly amusing. The characters were taken by John C. Crowder, C. K. Hopkins, C. L. Murray, Wm. Jarret, Chas. Rose, H. E. Murray and J. A. Thompson.

This was the first public entertainment given at the college since the stage was furnished with new scenery. There is a beautiful drop curtain representing a Roman chariot race, and some of the scenery is superior to much of what was in the lately destroyed Hawaiian Opera House.
